Withdrawn paper: “Nahrizul Adib Kadri, Mohd Azhar Abdul Razak, Fatimah Ibrahim, Near Real-Time Electrochemical Analysis of Carcinogenic Cell Lines Using Planar Microelectrodes, *Int. J. Electrochem. Sci.*, 7 (2012) 5633-5642”

It has come to our attention that due to an error in the submission of manuscript, a paper by Kadri et al., (*Int. J. Electrochem. Sci.*, 7 (2012) 5633-5642) had already appeared in print elsewhere (*Electrophoresis* 32 (2011) 2541–2549) and thus did not meet the conditions of not having been published elsewhere and not having been submitted for publication in other journals. Consequently, the Editorial Team of *International Journal of Electrochemical Science* has decided to declare this paper "Withdrawn". The authors and the editors wish to apologize for any confusion this may have caused.
