

Editorial

Withdrawn paper: “M. Salehi and M. Saremi, The Catalytic Effect of Polypyrrole/Pt-Cu on Oxygen Reduction Reaction, *Int. J. Electrochem. Sci.*, 9 (2014) 1497-1505.”

2 March 2014

This paper has been withdrawn at the author’s request. Complementary tests have been performed and the paper has been revised both in discussion and in presented data considering the new results. The revised version should be considered as a new publication and all the authors agree about the decision.
